

Funded Childcare...

If your child is turning 3 and there may be help with your childcare cost:

Eligibility:

You can usually get 30 hours childcare if you (and your partner, if you have one) are:

- in work - or getting parental leave, sick leave or annual leave
- each earning at least the National Minimum Wage or Living Wage for 16 hours a week.

This earnings limit does not apply if you're self-employed and started your business less than 12 months ago.

You're not eligible if:

- your child does not usually live with you
- either you or your partner has a taxable income over £100,000
- you're from outside the EEA and your UK residence card says you cannot access public funds.

You can apply for the funding by visiting:

<https://www.gov.uk/apply-30-hours-free-childcare>.

What it covers

"Government funding is intended to cover the cost to deliver 15 or 30 hours a week of free, high quality, flexible childcare. It is not intended to cover the cost of meals, consumables, additional hours or additional services."

Tax Free Childcare

What you can claim:

·You can get up to £500 every 3 months (£2,000 a year) for each of your children to help with the costs of childcare. ·If you get Tax-Free Childcare, the government will pay £2 for every £8 you pay your childcare provider. This is paid via an online childcare account that you set up for your child. ·You can get Tax-Free Childcare at the same time as 30 hours free childcare if you're eligible for both.

Each child will have a unique reference, which will allow the provider to link payments received from the account to the child concerned.

The provider can not access the account and draw money directly, the parent must login monthly and arrange for the payment to be sent to the correct provider.

If you have further queries regarding your account, the set up and how to make payments you can call the dedicated helpline on 0300 123 4097 for further information and support.
